# INTRODUCING THE DRUMBEAT DECODABLES PHONICS BOOK SERIES

Written by Stephanie Sanders, Anishinaabekwe, Curve Lake First Nation and Jennifer Truchon  
Illustrated by Julian Grafenauer.

Drumbeat Decodables align with the UFLI Foundations Program, offering an explicit and systematic approach to phonics instruction. The sequenced skill progression builds strong foundational reading skills with confidence and accuracy.

Books 1–12 are the first in a 34-book series following the UFLI scope and sequence. These early titles introduce phonemes and graphemes in a clear, structured order, with new high-frequency words added gradually to develop fluency and comprehension. This cumulative progression helps young readers build automaticity, accuracy, and confidence.

These books support Indigenous Education and should be used alongside a range of resources that reflect all Nations across Turtle Island.

## KEY FEATURES:

- Aligned With UFLI Foundations
- Systematic Phonics Progression
- Builds Early Reading Skills
- Ideal For Targeted Teaching

## RECOMMENDED FOR:

- Teachers
- Reading Clinicians
- Parents & Caregivers
- Early Years Educators And More
